465 Acres of Well-Improved Bourbon  
County Land

## For Sale at Auction!

Desiring to return to Europe to reside permanently, have decided to dispose of all my real estate in America, and have therefore placed my farm lying in Bourbon county in the hands of Harris & Speakes to be sold at public outcry at the court house door in Paris, Ky., on

**Thursday, October 10, 1912,**  
at 2 O'Clock p. m.

The farm is situated about six miles east of Paris, on the Iron Works pike, and contains 465.81 acres, and is perhaps better known as a part of the Ford farm. It will be offered in three tracts, then as a whole, and the best bid accepted.

Tract No. 1—Contains 210 acres, more or less, of the best land in Bourbon county, 200 acres being virgin soil, with an abundance of timber, such as walnut, oak, ash, hickory, etc. It is well watered with ponds and never-failing springs.

The improvement consists of a handsome two-story brick residence with all modern conveniences. The first floor has six rooms, 20 ft. square, double hall 12x20 feet, large, well-lighted kitchen, pantry, back hall, both complete and porce around entire rear of house. Four rooms and hall on second floor, good dry cellar under entire house, up-to-date furnace and cistern at door. It is handsomely finished, convenient and comfortable. It has a stone barn 120x80 feet, with 14 box stalls, concrete floor and tongue and grooved loft. This barn was built at a cost of \$9,400, and is without doubt the best in the country. Artisan well at bar; servants' house; splendid meat house; ice house and framefarm barn 72x44 feet, cistern at same.

Tract No. 2—Contains 150 acres, lying on the east side of the Iron Works pike; all in blue grass for eight years; residence of five rooms; large barn; ice house, meat house, cistern, never-failing springs, good fencing.

Tract No. 3—Contains 105 acres, more or less, in cultivation, broken from old blue grass sod two years ago; unimproved; plenty of water; fencing first-class. Good frontage on pike and splendid building site.

This farm is without doubt one of the best in the county, being well situated and very fertile. It will produce anything that can be grown in this climate. It is in an excellent neighborhood, convenient to churches and schools. Any one in the market for a fine Blue Grass farm should attend this sale.

Positive sale. Sold subject to survey. Possession March 1, 1913, with usual selling privileges this Fall.

TERMS—One-third cash, balance in two equal payments, in one and two years, deferred notes bearing interest at 6 per cent. from date until paid.

**W. A. LANE,**

For further information address Ed. Turner or Harris & Speakes, Paris, Ky., who will take pleasure in showing the farm to prospective purchasers.

**COL. GEO. SPEAKES, Auctioneer.**

## Notice To Stockholders.

A call is hereby issued for the remaining ninety per cent of the stock subscribed to the People's Bank payable to the undersigned on or before Saturday, October 12, 1912. All stockholders are requested to comply promptly.

### DEMOCRATIC TICKET.

For President,  
**HON. WOODROW WILSON,**  
of New Jersey.

For Vice-President,  
**HON. THOS. R. MARSHALL,**  
of Indiana.

For Congress,  
**HON. J. CAMPBELL CANTRILL,**  
of Scott county.

### Up to the People.

The present campaign for the election of a Democratic President differs from all others in recent years. Heretofore the money necessary for the expenses was supplied by men of large means, who were anxious for the success of the party, and maybe, in some cases, from those who thought they could use it to their own advantage. This order of things has been changed. Governor Wilson has absolutely refused to accept contributions from corporations, great interests or other questionable sources, determined, if elected, to take the high office with clean hands and under obligation to none save the great common people.

The necessary expenses of the Presidential campaign are very great. Money is needed to provide speakers and literature to inform the voters of the issues of the campaign. This money must come, if at all, from the people who now have the opportunity to return to their own. The other parties are being financed by the interests as usual. The Democratic party must depend on its members who are earnestly solicited to contribute to the extent of their means or inclinations. A dollar, if you can afford no more; a hundred or a thousand, if you are able and anxious that the people shall rule. Send any amount that the spirit moves you to the Secretary, Hon. W. O. Davis, of the Democratic State Campaign Committee, Tyler Hotel, Louisville, and it will be promptly acknowledged. The time is short, the demand is urgent. Remember the old adage, "He gives twice who gives quickly," and send your contribution at once.

### Great Opportunity.

Never did the great common people have such a chance to come to their own as now. The big interests have for years been financing the campaigns and then claiming the right to dictate to the successful candidate, in which they have generally been successful.

Governor Wilson positively refuses to accept any of their money, but is looking to the people to furnish the necessary funds for the expenses of his campaign, so that when elected he can take the office amenable to none but them.

In his splendid address to the editors at Louisville last Saturday, Chairman Johnson N. Camden, of the Democratic Campaign Committee, laid special emphasis on the people taking advantage of their opportunity and by helping to pay the expense of the campaign, keep the rich men from doing so, and give the demagogues no chance to inflame the masses against the rich.

It will increase their love for country and be a test of enlightened and patriotic manhood. If they fail to do so the next campaign may see the old order of things resumed. "Let us," as Mr. Camden says, "on our part uphold Woodrow Wilson and see that he is not left to the humiliation of asking his personal friends to pay him out of debt."

### A Good Move.

Every Federal pensioner residing in Bourbon county, as well as other portions of the country, will be glad to learn that the government has decided to mail checks direct from Washington and eliminate the voucher system of payment. This will save the "boys" the trouble of acknowledging their signatures before a notary or public officer. They will also get their checks earlier and not have to wait for the return of the voucher.

## Nervous Troubles

## Kill Ambition

Tona Vita Brings it Back to  
Worn-Out, Half Sick  
People.

One of the principal symptoms of nervous troubles is a feeling of discouragement.

A man or woman suffering with nerve exhaustion feels so worn out and miserable most of the time that they become hopeless and depressed. Life doesn't seem to be worth living.

Tona Vita has been pronounced by physicians to be the most reliable and successful tonic and nerve food ever sold to the public. It is building up many thousands of run down, nervous men and women and restoring them to health and happiness.

If you are a sufferer from nervous breakdown try this great tonic, and as you feel your health, strength and ambition return, you will be changed in mind as well as body. Life will seem like a different thing to you in a few weeks' time.

Tona Vita is sold by Chas. E. Butler & Co.

### Cause of High Cost.

The Republicans and the Bull Moosers try to make the people believe that there is no connection between the excessive tariff and the high cost of living. Moody's Magazine, an authority on economics, prints a table to show that in ten years prices only increased 7.7 per cent in Europe, while in America the average was 34.3 per cent with the prices on some articles increased over 100 per cent. The tariff and the trusts are chiefly responsible for the high cost of living. Vote for Wilson, Marshall and the Democratic nominees for Congress with assurance of a reduction of the one and the subjection of the others to the laws of the land, instead of being a law unto themselves.

J. W. Copeland, of Dayton, Ohio, purchased a bottle of Chamberlain's Cough Remedy for his boy who had a cold, and before the bottle was all used the boy's cold was gone. Is that not better than to pay a five dollar doctor bill. For sale by all dealers.

### In Mammoth Cave.

The attention of our readers is called to the advertisement of Mammoth Cave in this issue of the paper for October 16. Fall is the best time to see this subterranean wonder, crops are all housed and seed time is over, which makes it an opportune time for our country people to leave home. 2t

### Take Time for Breakfast.

Common sense indicates that breakfast should be a substantial meal. Enough time should be allowed to eat the morning meal at leisure and enjoy it. The manner in which some people gobble down their breakfast is becoming only to an ostrich. It is one of the great reasons for the existence of what is sometimes called "American dyspepsia."

### It Looks Like a Crime.

to separate a boy from Bucklen's Arnica Salve. His pimples, boils, scratches, knocks, sprains and bruises demand it, and its quick relief for burns, scalds or cuts is his right. Keep it handy for boys, also girls. Heals everything healable and does it quick. Unequalled for piles. Only 25 cents at Oberdorfer's.

## Why Have "Nerves?"

This is the reason why women have "nerves." When thoughts begin to grow cloudy and uncertain, impulses lag and the warnings of pain and distress are sent like flying messages throughout limbs and frame, straightway, nine times in ten, a woman will lay the cause of the trouble to some defect at the point where she first felt it. Is it a headache, a backache, a sensation of irritability or twitching and uncontrollable nervousness, something must be wrong with the head or back, a woman naturally says, but all the time the real trouble very often centers in the womanly organs. In nine cases out of ten the seat of the difficulty is here, and a woman should take rational treatment for its cure. The local disorder and inflammation of the delicate special organs of the sex should be treated steadily and systematically.

Dr. Pierce, during a long period of practice, found that a prescription made from medicinal extracts of native roots, without the use of alcohol, relieved over 90 per cent of such cases. After using this remedy for many years in his private practice he put it up in form of Dr. Pierce's Favorite Prescription, that would make it easily procurable, and it can be had at any store where medicines are handled.

Mrs. LILA B. HAWKINS, of Zions, Va., writes: "I had been failing in health for two years—most of the time was not able to attend to my household duties. Female weakness was my trouble and I was getting very bad but, thanks to Doctor Pierce's medicines, I am well and strong again. I took only three bottles of 'Favorite Prescription,' and used the 'Lotion Tablets.' I have nothing but praise for Doctor Pierce's wonderful medicines."
